State Standards & E-Portfolio Assessment Record**

Class: FCEDS 413 Semester: Spring 2014

Standards Assessment : Assessment RAFT

Total Points Earned: 50

Total Points Possible: 50

Score: X Proficient Not Proficient

Instructor Lisa G. Stange Approved Date: 3/27/14

Great project - thorough and concise. Good choices for examples. If we can teach someone something, we truly have learned it ourselves! The discussion of objectives in your final piece along with the test example shows your understanding at the level of an instructor who must make decisions for assessment. Neat to use technology (Weebly and the Jing) to hit your audience!
